

Pump Modules

Commercial Pumps.

OZmist's CPM Commercial Pumps deliver outstanding performance and value, making them the best small high-pressure pumps on the market. Designed for small to medium static and fan-based misting systems, they're trusted across alfresco venues, commercial spaces, festivals, and light industrial applications.

These pumps are built to last — not throwaways. With regular servicing, they'll provide many years of reliable operation. OZmist also stocks a full range of spare parts and seal kits, ensuring your pump stays in service and performing at its best with minimal downtime.

COMMERCIAL PUMP MODULES

Code	Model	Kilowatt 1-Phase	Kilowatt 3-Phase	Operating Pressure	Maximum Flow Volume & Nozzle Capacity (0.2mm Nozzle @ 1000psi)
1.3.001	CPM25	.230kw 240v 1-Phase 3amp	NA	70 Bar - 1000psi	1.4 L/min or 25 Nozzles
1.3.002	CPM55	.570kw 240v 1-Phase 3amp	NA	70 Bar - 1000psi	3 L/min or 55 Nozzles

\$4,583.00

Pump Modules

Single Phase Industrial Pumps | Three Phase Industrial Pumps

Industrial larger volume pumps continue under the OZ range.

These are built entirely in house by OZmist's technicians at their Wangaratta factory.

All OZ pumps features low water pressure cut off switch's, low-pressure inlet solenoid valves to control flow to the pump motor, high-pressure drain solenoid valves that open when the pump shuts down and double water filtration. Built for continuous duty, electric motors can be either single or three-phase (from the OZ125 upwards) and are thermally protected. OZ pump cabinets are fabricated from 304 grade stainless steel.

SINGLE & THREE PHASE INDUSTRIAL PUMP MODULES

Code	Model	Kilowatt 1-Phase	Kilowatt 3-Phase	Operating Pressure	Maximum Flow Volume & Nozzle Capacity (0.2mm Nozzle @ 1000psi)
1.1.001	OZ25	.230kw 240v 1-Phase 3amp	NA	70 Bar - 1000psi	1.4 L/min or 25 Nozzles
1.1.003	OZ55	.570kw 240v 1-Phase 3amp	NA	70 Bar - 1000psi	3 L/min or 55 Nozzles
1.1.004	OZ85	.750kw 240v 1-Phase 5.3amp	NA	70 Bar - 1000psi	5 L/min or 85 Nozzles
1.1.005	OZ125	1.125kw 240v 1-Phase 7amp	NA	70 Bar - 1000psi	7 L/min or 125 Nozzles
1.1.006	OZ160	1.125kw 240v 1-Phase 7amp	2.5a	70 Bar - 1000psi	9 L/min or 160 Nozzles
1.1.007	OZ210	1.5kw 240v 1-Phase 9.5amp	3.5a	70 Bar - 1000psi	12 L/min or 210 Nozzles
1.1.008	OZ250	2.2kw 240v 1-Phase 15amp	4.6a	70 Bar - 1000psi	15 L/min or 250 Nozzles
1.2.001	OZ160	NA	1.125KW - 2.5amp	70 Bar - 1000psi	9 L/min or 160 Nozzles
1.2.002	OZ210	NA	1.5KW - 3.5amp	70 Bar - 1000psi	12 L/min or 210 Nozzles
1.2.003	OZ250	NA	2.25KW - 4.6amp	70 Bar - 1000psi	15 L/min or 250 Nozzles
1.2.004	OZ320	NA	3.75KW - 7.4amp	70 Bar - 1000psi	18 L/min or 320 Nozzles
