

Push Lock Fittings

3/8" | 1/4" | 1/2" | Fittings

All of our high-pressure nylon tubing is manufactured in Melbourne. OZmist tubing is specially produced with a thicker wall, providing enhanced safety, durability, and a longer service life. The semi rigid, poly tubing simply pushes into the fittings and locks firmly, creating a seal that is drip free, easy to install, and reliable.

1/4" PUSH LOCK FITTINGS
